

Admission policy

At the Palau sa Font we welcome well-behaved dogs up to 15 kg, subject to prior request. We offer a dog bowl depending on availability.

We ask that you respect the following rules for a happy coexistence with other guests:

- A maximum of 1 dog is allowed per room.
- The dog will not be able to use the common areas: breakfast area, bar and pool.
- Must be on a leash at all times outside the room. Breeds that require it by law must wear a muzzle.
- Please do not allow the dog to climb on beds, sofas, chairs, etc.
- If the dog physically attacks a client or causes any noise or damage, the possible expenses derived from said action and/or the liability derived from it will be the responsibility of the guest. We reserve the right of admission in case of non-compliance.
- You must have all the valid documentation that is legally required, which may be requested from the owner at check-in.
- The dog cannot stay alone in the room, unless the guest is having breakfast. In this case, you must notify the reception and leave the do not disturb sign on your door. The room will not be cleaned. The guest must come as soon as possible if the hotel staff requires it.
